#### Notes :-

*This catalogue is a consolidated range, sold by Capricorn, sourced from one manufacturer at highly competitive prices.*

*If a quoted price seems high, it may well be that the kit contains an extra component.  
eg : CWB859 contains an OE spec Nut and two retainers.*

*We can offer a full range of Kits as listed by all the major bearing manufacturers, however we can not guarantee the brand of bearing supplied nor the contents of the kit.*

*We welcome enquiries in any major manufacturers part numbers however, the contents of Wheel Bearing Kits may vary from manufacturer to manufacturer and may not be the same as the kits you are currently buying*

*Capricorn's normal terms of business apply to this product range.*
